

Town of Alexander
PLANNING BOARD REGULAR MEETING
June 27, 2016

Present: Linda Higley, Chairperson; Robert Kelsey, Michael Schmieder, John O'Neil, Molly Meek-Grimes
Also: Laura Schmieder-Secretary
Guests:

The meeting was called to order at 7:00 p.m. by Chairperson Higley.

The Board was introduced to and welcomed Molly Meek-Grimes who had been appointed to serve on this Board, replacing James Hess who has passed away. Molly will be completing his term of office.

On a motion by Michael Schmieder, seconded by John O'Neil and carried, the minutes of the March 28, 2016 meeting were approved as written. 5 - Yes 0 - No Carried

Old Business: None

New Business: None

1. Land Separation – Robert Howe/David Patten

The Board has been advised that this land separation has not yet taken place. When it does, Chairperson Higley will be asked to sign the final approval.

The Clerk presented a couple of training opportunities that are upcoming, and reminded those who need the training hours for 2016. One is being offered by the Association of Towns and being held in Batavia.

Michael Schmieder has done some investigating into the placement of outhouses. Nothing is in our Zoning Ordinance about this issue.

The Genesee County Department of Planning is reviewing the Smart Growth Plan and is willing to come to Alexander to go over it. The Planning Board feels this might be a good opportunity as we have new members on all of our Boards. This will be brought up to the Town Board at their next meeting.

Our Town Attorney sent us a copy of the Town of Bethany's Comprehensive Plan Update. Ours was adopted in 2003 and should probably be updated. I was asked to bring this up at the next Town Board meeting to perhaps form a committee to begin reviewing our Comprehensive Plan.

On a motion by Michael Schmieder, seconded by Molly Meek-Grimes, and carried, the meeting adjourned at 7:40 p.m. Yes - 5 No - 0 Motion carried.

Respectfully submitted,

Laura Schmieder
Recording Secretary
