RULES AND REGULATIONS

Due to the high costs of operating the Transfer Station, the Town Board has unfortunately had to raise disposal costs.

Businesses may continue to recycle their recyclables. However, business waste such as construction & demolition debris, will no longer be accepted. Businesses should contact the Mill Seat Landfill at (585) 494-3000, ext. 221.

The Town Board wishes to keep costs down so as not to increase property taxes and feels that this is the only way possible.

For information on Household Hazardous Waste Disposal, call GLOW Region Solid Waste at (585) 344-2580, ext. 5463.

TRANSFER STATION HOURS:
