**Old Business: Special Use Permit – Jeremy Almeter**

Jeremy Almeter, who has property at 3888 Drybridge Road-tax map #12-1-8, has requested permission to have a camper trailer on his property. According to our Zoning Ordinance, Article VI, Section 611, Subsection A, Paragraph C I & ii, he has to submit an application for a special use permit. He has submitted the application, the Ag Data Statement and the short SEQR for tonight's meeting.

He will be having an electric hook-up in 4 – 6 weeks, and has looked into having a well drilled. He has also investigated septic system options. His plan is to build a home there when funds allow, and he is planning on growing and selling organic vegetables with the use of a greenhouse.

**Update:**

Mrs. Summers has expressed her concerns over the bees, her property, the camper and that there is two of them, that Jeremy has no sewer and no water. She asked Mr. Almeter if he had plans on growing marijuana on the property and Mr. Almeter said no, and that he has no intention to.

**The Public Hearing was closed at 7:30 pm by Chairperson Higley.**

**Final Action Taken:**

On Motion from Chairperson Higley, seconded by Michael Schmieder the issue will be tabled until Jeremy Almeter presents site plans in the spring when he returns to the area. 4 – Yes 0 – No Carried
